Exhibition selection

The exhibition is selective, due to space restrictions, but the committee will endeavour to hang as many works as possible. To do this, we have limited the size of entries. Artists will be notified if they have NOT been hung, prior to opening night.

Size and preparation of work

The maximum size is a width of 40cm, and a height of 40cm, including any frames. The size for unframed works on canvas are edge-to-edge of the stretcher, whose sides should be neatly painted. All work must be dry and ready for hanging.

Two '**D**' rings must be attached to the back of the work, 1/3 of the way down, on both sides. All sharp protrusions are to be covered so as to avoid damaging the walls.

Please include the following information on the back of the work: name, contact number, title of work, medium, price (and GST if applicable).

Commission

A commission of 25% will be charged by the Mosman Rowers on all sales. Payments to artists will be made by Mosman Rowers, after the close of the exhibition.
